

# We're going to IFFA... are YOU?

We'll be back at IFFA 2016, the biggest shop window for developments in the meat industry in the world! We'll be supporting the leading manufacturers of equipment for whom we are the distributors in the UK and Ireland. From ingredients and product development to end of line packing solutions (and everything in between), our team will be on hand to discuss your specific requirements.

- IFFA 2013 attracted some 960 exhibitors
- More than 60,000 trade visitors from 142 countries
- Innovations, know-how and developing contacts were the 3 main reasons for visiting
- All of our 8 divisions will be represented at the one event

Make sure you don't miss out on the industry's most important platform for innovation. We look forward to seeing you there.
