

Skinner ASB 460/560/770

Reliable high-performer.

This machine offers the latest technology and highest quality. Automatic initial cut control and spring-mounted slicing system ensure a clean cut and excellent product yield. The new hygienic programme ensures quick and simple cleaning and is included as standard.

weber[®]
The High Tech Company

Powerful

- › High capacity
- › Extremely robust machine stand
- › Strong drive system
- › Wear-reducing, precision-orientated construction

Efficient

- › Highest yields thanks to the patented cut control
- › Product-specific tension rollers
- › Spring-suspended blade holder
- › Cleaning programme as standard
- › Supply and output belts made of PVC, so that no plastic parts can be lost in the product in case of damage

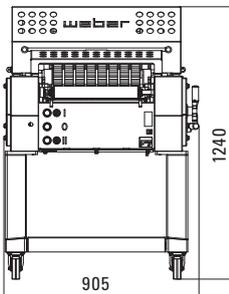

Flexible

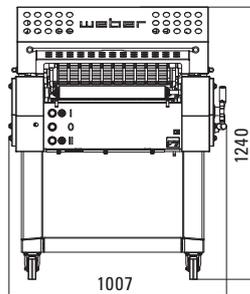

- › Can be operated from left (optionally) or right
- › Can be suspended over a shredding belt
- › Customer-specific special base, conveyor frame and protective guard
- › Product- and application-specific blade holder and pressure application system
